

Fall Home Reset Checklist

Put a little summer away. Make room for a season that feels good.

LET GO BEFORE YOU PACK

- ☐ Donate anything you did not wear this summer.
- ☐ Donate anything that has been outgrown.
- ☐ Throw out items with holes or stains. You do not need more rags!
- ☐ Clear out shoes that are outgrown or tattered.

PUT SUMMER AWAY

- ☐ Pack only what you will be EXCITED to see next summer.
- ☐ Empty beach bags, coolers and picnic bags. Check every pocket.
- ☐ Make sure everything is completely dry before storing it.

- ☐ Group seasonal items together and label bins clearly.

WELCOME THE NEXT SEASON

- ☐ Bring out decor you love. Our tastes change, and that is okay! Sell or donate what you no longer love.
- ☐ Check boots, coats and snow pants for fit before buying more. Match mittens.
- ☐ Bring out a boot tray and make room for wet coats to dry.

DEEP CLEAN YOUR ENTRY

- ☐ Donate summer hats and jackets that were not worn this season.
- ☐ Wipe down shoe shelves and clean shoe mats.
- ☐ Wipe down walls and baseboards.
- ☐ Clean windows.
- ☐ Wipe down door handles and light switches.
- ☐ Vacuum corners and under shoe storage, then mop.

FINISH WITH INTENTION

- ☐ Set a donation drop-off date and get the bags out the door.
- ☐ Thank your space. Appreciate how your home supports you through each season.
